

MagiKats
TUITION CENTRES

August 2019

SUMMER NEWSLETTER

Well done to all our students who are continuing to work hard on their MagiKats homework and attending the classes over the holidays. Those who are off during August, please be ready to work hard extra hard come September to get on top of the work, again.

Workshops and summer homework are all part of the educational fun but will also save you from the fall that often happens between June and September. This is especially true of students in Year 6! Very limited learning takes place at schools after SATs from May to August, which is not ideal.

You have worked hard to prepare for SATs and we're expecting great results from everyone. We are so proud of all of you whom have already told us but remember, most of you will be tested again by your new schools between September and November. You need to do a little work every day to stay on top of your game!

If you're going on holiday, we'd love to see photos of you doing MagiKats wherever you find yourself to be - whether sunbathing in the Caribbean or camping in the countryside, we would love to see all the places that MagiKats reaches! Please post your photos on Instagram and Facebook and don't forget to tag us.

Results

Year 2's and Year 6's already had great results. Now the wait for our GCSE & A-level students coming soon. We wish you all the best and hope you receive the results you were hoping for. Don't forget to let us know how you got on!

GCSE Groups

Whilst some have finished their GCSEs (congratulations!), others will be starting them in the new academic year. Remember to book your slot for the GCSE group sessions which runs every Saturday, for both maths and English. One hour per subject. These group sessions have been very popular and successful. They fill up fast, so secure your space early.

All other subjects are on a 1-1 basis at the Beeston Centre. Great opportunity to build your confidence, get ahead and fulfil your potential. Let us know if you require any information.

Farewell

To our tutors whom have left. Cristina moving to Spain.
A few off to new walks of life. Best wishes with your new chapters.
You've done a great job. We will miss you dearly.

Things to remember...

SUMMER CLOSURE

Yayyyyyy! Finally, we get a break. Our first closure since Christmas. We are closed for the last two weeks of August, with Saturday 17th August being our last day (and re-opening on Monday 2nd September). Payment continues as normal over August. The two weeks of closure are evened out during the months in the year which have five weeks.

Enjoy the summer holidays and the great unpredictable weather we're having.
Hope you're having fun with so many of you travelling across the world.
Look forward to seeing you all back in September.

Love and Best Wishes
